

# Going Places Safely

## \* DID YOU KNOW ...

"www" stands for "World Wide Web." The World Wide Web was invented more than 25 years ago!

With a parent or family member, use an online picture dictionary such as the Photographic Dictionary (<http://photographicdictionary.com/animals>) to search by letter for more information about your animal!

## \* WHAT DO YOU THINK?

What rules should kids follow when they want to visit a new place online?

**\* DO YOU REMEMBER ...**  
How you can stay safe when you explore new places on the computer?

## 1. Family Activity

There are so many exciting places to go online! You can visit faraway spots, explore a zoo, or even travel to outer space!

Draw a picture of one place you would like to visit through the Internet. At the bottom of your picture, have a parent help you write the three safety rules for going places online.

## 2. Tech It Up!

With a family member, use the Internet to visit the place that you drew.

## 3. Common Sense Says ...

Remember the three safety rules about going places online:

- 1). Always ask your parent (or teacher) first.
- 2). Only talk to people you know.
- 3). Stick to places that are just right for you.
